Evangelizing in 2025

In 2025, 45 people made the life-changing decision to become Christ followers through our various programs. Our door-to-door evangelism continues to be the most effective way to share the Gospel and lead others to Christ. To help new believers grow in their faith, we host discipleship classes, welcoming both new Christians and those eager to deepen their understanding of God's Word. Grace and Peace actively networks with local congregations, connecting new believers to church families and stepping in to assist with critical needs within their communities. This year, we raised enough support to complete a partially built home for one of the families

in our Children's Program. Many of the homes where our children live are in poor condition, often lacking cement floors. Our mission is to bless these families by improving their living conditions, but our ultimate goal is to share the hope of Christ with them. In addition, we poured six cement floors, sharing the Gospel with the families and their neighbors as construction took place.

THE WIDOW PROGRAM 2025

We are honored to serve our 100 widows by providing food, medicine, specialized check-ups, housing assistance, and essential household items. In 2025, four new widows became Christ followers and are now growing in their faith through one of our nine weekly widow Bible studies. After years of fund raising and gathering resources to provide cataract surgery for our widows, we are grateful that in 2025, six widows finally received this life-changing procedure. We will continue to raise money so our next group can get this much-needed surgery soon.

WIDOW ESTERVINA
ACCEPTING CHRIST

OUR WIDOWS ARE
SO GRATEFUL

Many thanks to each of you who faithfully supported the Lord's work in the Dominican Republic this year. A lot of great things happened throughout 2025, and we would love for you to join us as we celebrate at our banquet on January 9, 2026, at Aulizio's Banquet Hall. Come see how your sacrificial giving made it possible to fulfill the call to take the Gospel to the world—and the fruit that is evident because of you. With heartfelt love and appreciation, Bill and Karen Rumple.
