EVANGELISM 2023

In 2023, 54 people accepted the Lord as their Savior through our many programs. Door-to-door evangelism has proven to show the best results when sharing the Gospel and leading others to Christ. We hold a discipling class 2 days a week in 2 areas for new Christians as well as those wanting to learn the Word of God. We also supported 2 local churches this year through our Community Projects Program, helping one install a new roof and the other replaced their old decrepit roof. Grace and Peace networks with many local churches, plugging new Christians into them as well as helping with any dire needs that may arise within their congregation.

EVANGELISM THROUGH THE CHILDREN'S PROGRAM 2023

We continued to help 300 children in our 5 Children's Programs in 2023 and we raised money at our banquet in January to help the families of our children in our programs, as many of their homes were in pretty bad shape. They were in need of cement floors, windows and doors and overall house maintenance. Our intention was to bless them by fixing these things on their homes but our goal was to share the Gospel with them. It was so fruitful, we are excited to do this again in 2024. All in all 15 people accepted the Lord or rededicated their lives to Him.

THE WIDOW PROGRAM 2023

We feel privileged to help our 100 widows with food, medicine, specialty check-ups, housing and household items. In 2023, 3 new widows accepted the Lord as their Savior and are now walking with Him, being fed each week in 1 of 9 Bible studies we hold for our widows. In 2023, Dr. Chow came with a team from Canton First Friends to hold conferences for the widows and to check them house to house. From that, we are now implementing new ideas to help them stay on top of their health.

Grace and Peace also helped 4 couples get married after living together for many years. So many wonderful things happened in the ministry in 2023 and we hope you can make it to our banquet on January 12, 2024 at Aulizio's Banquet Hall. Thank you to all of who so faithfully support the Lord's work in the Dominican Republic. Fulfilling the call to take the Gospel to the world is fruitful because of your sacrificial giving. Much love and appreciation, Bill and Karen Rumble

Dear Grace and Peace Supporters,

Karen and I would like to thank you for your prayers and financial support over this last year. It's been a year of building our faith and pushing us to trust Him even more. Next month will be the beginning of our 25th year in the Dominican Republic. The Lord's been so faithful to us and you are a huge part of that. We're very excited to see those of you who are able to attend our banquet on January 12, 2024 at Aulizio's Banquet Hall. For many of you who are not able to attend, we feel your presence with us on this amazing journey serving the Lord and watching Him change lives through your sacrificial gifts.

In 2023, our staff stepped up and took good care of the ministry as we have worked so hard to train them basically from the minute we landed all those years ago. We're both excited to return in 2024 to continue this training and to evangelize the people of the Dominican Republic. Karen and I, along with our team, focused on evangelism outreach in 2023 through door-to-door evangelism, our Children's Program and also the Widow Program.

This year we added a new element to our ministry. We went to the homes of the children in our children's program to see what house maintenance needed to be done. It opened a door for evangelism as the work was going on and many came to the saving grace of our Lord. We give God all the glory! We will continue to do this in 2024 as funds allow and there is so much work left to be done. Enclosed please find our last newsletter for 2023.

We thank you from the bottom of our hearts for your faithfulness and for considering a special end-of-the-year donation to help Grace and Peace meet the needs we are facing in 2024.

We are so grateful for all of you!
