

Our Children's Program

Currently Grace and Peace is building a three-room schoolhouse behind the mission house. In the completed portion, we hold a Children's Education Program every Monday, Wednesday and Saturday from 9:00 to 12:00. We have duplicated this program at four additional locations helping a total of 278 children.

The children spend their time learning and memorizing the Word of God. They are taught crucial life skills involving hygiene, diet and manners. We give each of them a hard-boiled egg as they leave to help with their protein-deficient diet. They take field trips, have holiday parties, honor their mother's on Mother's Day, and celebrate their birthdays with a party twice a year.

Mission Statement

The Bible clearly states in Proverbs 22:6, "Train up a child in the way that he should go: And when he is old, he will not depart from it." Children are our future and it is our responsibility to raise and train them in the ways of God. Their generation will be equipped to continue sharing the gospel to the ends of the earth. It is our mission to show children the love of God by providing for their economic and physical needs so that they can grow spiritually.

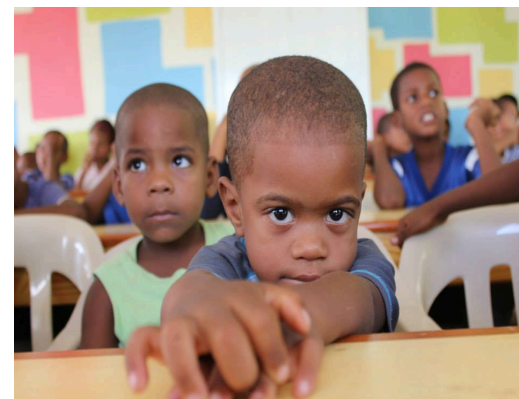

Who We Are

Grace and Peace Missionary Fellowship was founded in 1985 when Bill Rumble began taking short-term missions trips to Haiti. Bill traveled back and forth to Haiti from 1985 until 1996. In 1998, the Rumble family travelled to the Dominican Republic, which shares the Island of Hispaniola with Haiti, to see what the needs were.

In July of 1999, the Rumples were called into full-time missionary work to the Dominican Republic and began making preparations to move to the mission field. On January 27, 2000, Bill moved his family to a community called Barahona in the Dominican Republic to develop a Ministry Center.

Good Stewardship

We take giving seriously. The Bible tells us in 1 Corinthians 4:2, that good stewards must be trustworthy. Choosing to sponsor a child is an honor and responsibility. When you say "yes" to sponsorship, you are saying you will honor your commitment to pay each month for your specific student. We understand that life is unpredictable and financial hardships develop. Should this happen, we ask that you notify us immediately so that we can reassign your sponsored child to ensure their needs will continue to be provided for.

CHILD SPONSORSHIP INFORMATION

But Jesus said, "Let the little children come to Me, and do not forbid them; for of such is the kingdom of heaven."

"Matthew 19:13-14

"Whoever welcomes one of these little children in my name welcomes me" Mark 9: 37

Partnership

When you choose to partner with us by sponsoring a child, you are sowing a financial seed into the lives of children and breaking down the barriers created by poverty. Your financial blessing provides for the physical needs of the children so they can learn and grow in the ways of God. Below are the ways that your financial blessings will support the students:

- Buy school uniforms
- Buy needed school supplies
- Buy protein-rich food
- Buy medicine when needed
- Provide enrichment and educational opportunities through the school
- Extra options to bless your child during the holidays are also available through confirmed sponsorship

Sponsorship:

You can sponsor a child by committing to a financial sponsorship of \$25.00 per month. This amount should be mailed the first week of each month to Grace and Peace Missionary Fellowship (See: "How it Works"). The money will then be distributed to provide the needs of the child for that month of giving. If you are unable to send in your monthly sponsorship amount, for any reason, the child will not be given the benefits provided through sponsorship. After 60 days of non-payment, your child will be placed back on the sponsorship list.

Sponsoring a child is an ongoing financial commitment that is made to bless your sponsored child in monthly installments. When circumstances arise and you are unable to continue your sponsorship, please give us a minimum of a 60-day notice of termination. This provides time to establish a new sponsor for that particular child so there is no interruption of services.
